

QSP Magazine Sale

Our Christian School QSP Magazine Fundraiser is now available throughout the year! Just about everyone purchases and renews magazines - now your family, neighbors and friends (even those living in another state or community) can order their favorite publications and help Curtis Baptist School at the same time! There are over 700 magazines to choose from, your customers save up to 75% off the newsstand price and 40c of every dollar they spend goes to our school - everybody wins! Regardless of the reader's age or interest, QSP's magazine program delivers news, sports, lifestyles, hobbies, mystery and home improvements - from the world of art to the art of living. This highly profitable program encourages reading in the home with a wide spectrum of tasteful reading materials. Please support your child in obtaining their personal goal for this year's sale! Read more by clicking the icon below.
