

# MAKE AN IMPACT 2022

CBS JOURNALISM CLASS

THE CURTIS CHRONICLE

SEPTEMBER 2022

## CBS AT SRP PARK

**The Green Jackets are about to hit it out of the park!**

On Friday, August 19, the Green Jackets beat the Charleston RiverDogs with the score of 4-2. The RiverDogs started off in the lead in the second inning, and the score remained 1-0 up until the sixth inning when the Green Jackets came back to take the lead. After a few good plays from the Green Jackets, they were able to maintain the lead of 4-2 which would make the series 1-0 with two days left to play. Many students have said that attending the game was worth it!

## August Volleyball

**The MS Girls are planning their next play!**

The middle school team went against South Aiken Baptist as their season opener and lost the first set. They came back and won the game after, beating them in the second and third set!

Earlier this month, the varsity girls went to Newberry College to open their season. They played three games, and won all of them! Both teams have had great season openers.

**Angel in the middle of serving an Ace!**

## Elementary

Curtis's Elementary School is off to a great start. Students are excited to learn and have done really well on their first couple of quizzes and tests. As we begin this year with much excitement, I ask that you be mindful of a few elementary announcements. Chapel is every Tuesday at 8:15am. Parents are more than welcome to attend with their children. We give Student of the Month awards (starting in September) and AR awards the last Tuesday of each month. Each Tuesday we recognize classes and students who have done really well on Class Dojo. We have monthly themes for our elementary chapel. August was our love month and September we will talk about peace. The entire CBS elementary school has adopted Class Dojo as one of our classroom management systems. By now you should have received a login on how to participate in Class Dojo and should log on so that you can see how your children are doing daily with their behavior. If you need more information about Class Dojo, please contact your child's teacher if you have not received this information. Kindergarten through 5th grade have access to IXL. This is a program that helps students to practice their skills anywhere when they need extra practice with a skill in math or language arts/reading. Students should have received their log in from their teacher. For more information about this academic practice for students, please contact your child's teacher. 1st through 5th grade participate in our Accelerated Reading program. Students read books at home and have their parents sign that they have read these books. They take quizzes in class monitored by their teacher. Students cannot take AR quizzes at home. They are only to be taken at school. We are off to a great start and excited about making an IMPACT for the Lord with your children and families. God Bless you as you journey through another school year and I am excited to see how much your children will grow in the Lord and academically in our 2022-2023 school year.

- Mrs. Belser, Elementary Principal

## Daycare and Preschool

Daycare and Preschool have started off the new school year well. We have welcomed many familiar faces and some new faces this August. Daycare classrooms are learning the basics of school routines and working on fine and gross motor skills. Preschool classes have started off the school year busy! 3K students are working on Pre-Handwriting activities to build their fine motor skills. We encourage families to come and see their artwork and practice pages in the hallways, though many pages are sent home to show parents what they are doing each week. 4K classes have enjoyed attending music and PE classes for the first time. We are so thankful for a great start to the 2022-2023 school year! Thank you all for partnering with us.

- Kellie Nieves, Daycare Director

# Middle and High School

Parents and students welcome a new school year, and we are so grateful that you chose CBS to provide a Biblical Integrated Curriculum for your student. As we go throughout the year, I ask that you continue praying for our students and faculty as we navigate the school year. I am excited that this school year, CBS 8th-12th graders will participate in Spiritual Emphasis Retreat, September 27th-30th. We will be sending home information in the upcoming weeks. This retreat is an excellent opportunity for our students to grow spiritually and share the experience with their peers. Students will have their midterms on September 2, with Progress Reports going home on September 9. See You At The Pole is on September 21. We will gather on the Elementary School playground and invite families to join their students for this time of prayer. I look forward to the school year and the opportunity to serve Curtis Baptist School.

## Guidance

We will offer four 4-hour SAT Prep classes to help students prepare for this important test. This class provides an understanding of the SAT format and content, useful test-taking and time management tips, guided test practice, and how to identify areas for improvement and target studies to optimize scores. The dates will be September 24th, October 1st, October 8th, and October 15th. An email has gone out with all the essential information regarding these classes. SAT Test will be offered here at CBS on October 27th. Please be on the lookout for further information regarding payment and the deadline to register for the test. The Junior Ring Ceremony will be on October 7th at 6 PM. A representative from Georgia Military College will be here during high school lunch on September 19th. Please encourage your student to speak with the representative and ask questions about their college and how to apply.

Please email me at [jreed@curtisbaptist.org](mailto:jreed@curtisbaptist.org) with any questions!

- Ms. Reed, Guidance Counselor

## Athletics

MS and Varsity Girls Volleyball, MS golf, and MS tennis are currently underway! The volleyball teams have been playing great competition, and the golf team played its first game of the season last Monday.

The Varsity volleyball team's first home game is on August 30 at 5:00.

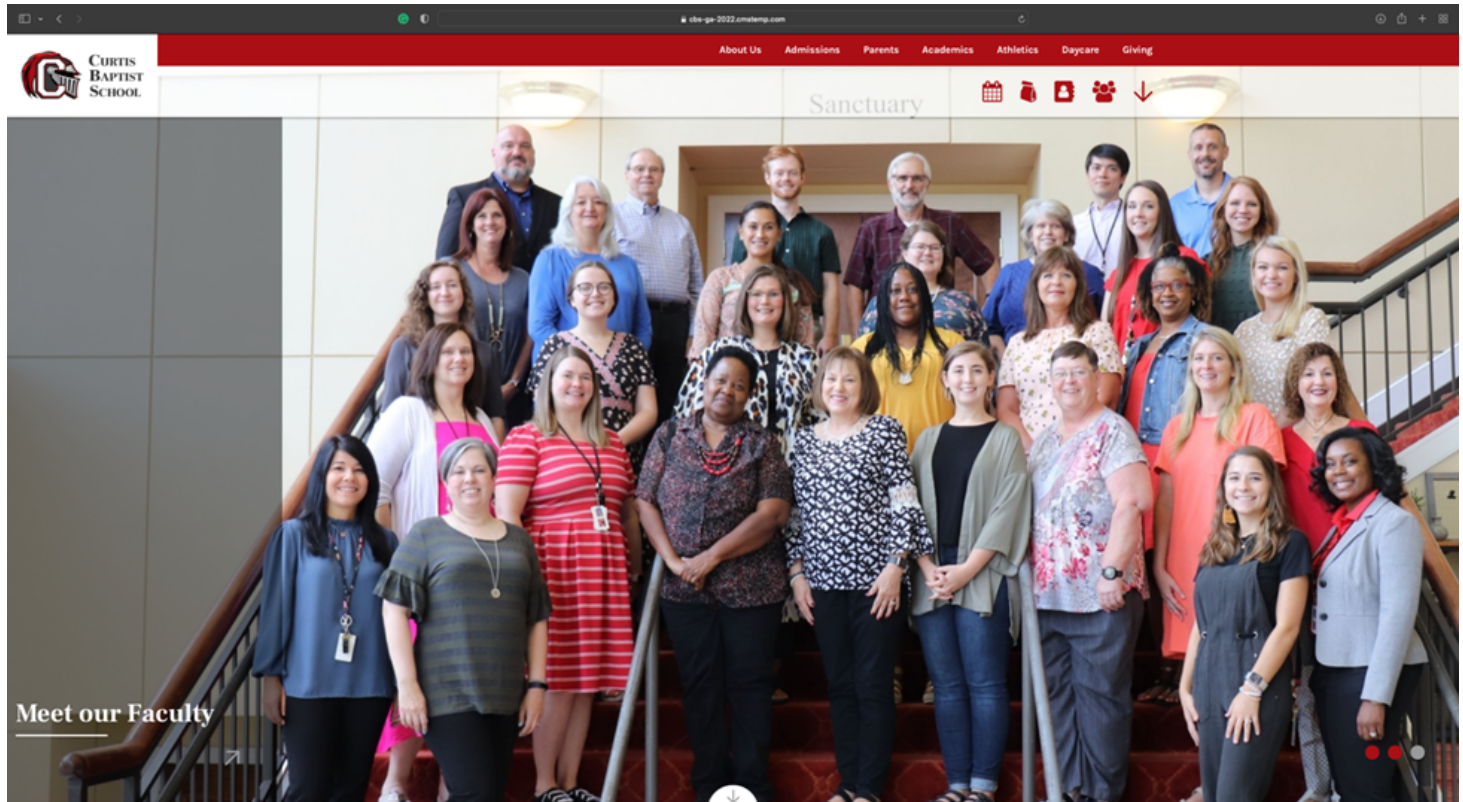

Information will be coming out soon regarding MS Boys and Girls Basketball and Varsity Boys and Girls Basketball. Tryouts for Varsity basketball will take place at the end of October.

- Mr. Phillips, Athletic Director

# Head of School

We are off to a great start to the 2022/23 school year. Our students are settling into their classrooms doing well. We have a lot of activities coming up in the next couple of months. Please review the school calendar for a list of events. We are excited to announce that we have an updated school website that goes live on September 1 st . The page name will remain the same, but the site itself will look different. This site has many of the same features as our previous site. We will be making updates to the site continuously for new announcements, calendar events, and photos.

Thank you for partnering with us this year.

- Mr. Phillips, Head of School

# Upcoming Dates

Monday, September 5 - School & Daycare Closed

**Crusader Club Catalog Fundraiser** - The "Magical Holidays" brochure will go home with students on Thursday, September 15. Items can be ordered in person or you can share the online link with friends and family. Items can be to the school (no cost for shipping) or home (to home orders that are \$75+ will not be charged shipping). Direct donations to the Crusader Club are welcome. The Crusader Club co

**CBS Memory Tours** - Looking back, looking ahead, CBS is offering memory tours of the campus on Thursdays from September 22 through October 27. It may have been a few years or a few decades since you walked the halls of Curtis but we would love for you to remember your time at Curtis while you see school in action. Meet in the Curtis Baptist Church Ministry Center (facing Broad Street) at 11 am and be ready for a walking tour of the campus lasting approximately 30 - 45 minutes. Contact Deb Ulrich at [admissions@curtisbaptist.org](mailto:admissions@curtisbaptist.org) if you have any questions.
