

About Us

The Crusader Club is an organization of parents and teachers, just like you!

The Crusader Club coordinates with parent volunteers, supports school and sports functions, increases parent-teacher communication, and provides fellowship and encouragement of one another, administration, and teachers.

CURTIS BAPTIST

CRUSADER CLUB

Your Involvement Matters

The truth is, there is no Crusader Club without parents like YOU!

Parent involvement is crucial to a thriving program. When you volunteer at a basketball game or offer to help organize a teacher appreciation breakfast, you are Making an Impact; not only your child's education, but all of our Curtis Crusaders!

Our Mission

The Crusader Club's mission is to promote unity and involvement with the families of the school.

Our Vision

COMMUNITY

To better support our mission, we are focused on helping teachers through gathering supplies, volunteering, and showing our appreciation. We believe that building community happens at events where teachers and families can come together and have some fun!

ATHLETICS

We know that supporting our student athletes reach their goals in middle school and high school sports is important. It's easy to volunteer at home games or attend sports fundraisers! Jr. Crusaders is another way we can introduce interscholastic athletics to students in Kindergarten through 4th grade!

CRUSADER CLUB BOARD

Elected Officers meet with all members monthly to discuss ideas and make sure events are prepared to run smoothly. Additionally, the board handles Cheeks Workdays and looks for volunteers for all events.
